

DEI Committee Chair

The DEI Committee supports and promotes Diversity, Equity and Inclusion information, updates, and activities for LWHRA chapter members for the purpose of enhancing the member experience.

The DEI Committee supports the LWHRA mission of Connect, Grow, Serve by:

- Connect – connecting people, perspectives, and ideas to help create stronger bonds among LWHRA members and the organization
- Grow – growing LWHRA into a more diverse, equitable, and supportive space for all members
- Serve – aligning the brand of LWHRA with the values of its members to build a diverse team and, in turn, enabling the members of LWHRA to see themselves in the brand

What we do:

- Support and promote Diversity, Equity, and Inclusion information, updates, and activities for chapter members.
- Serve as ambassadors for the DEI committee, LWHRA, and SHRM.
- Develop and implement a long-term vision and strategy for DEI at LWHRA.
- Build a space that encourages the representation and participation of diverse groups of people within LWHRA.
- Establish a supportive and welcoming environment within LWHRA in which members of all backgrounds and demographic characteristics can work cohesively.
