

Career Advisers Needed for Hopelink Adult Education

Leverage your work background to help immigrants and refugees reach their career goals! Become a Hopelink volunteer. Training will be provided.

- Serve as a volunteer adviser to support students in the English for Work program
- Meet with a caseload of students (one or more) before or after scheduled classes at Hopelink centers
- Work alongside students to set SMART goals, develop a resume, develop relevant connections in the community, and more.
- Time commitment: 1.5-hours per week or more, depending on caseload, for at least one quarter (three months)

Qualifications:

- Professional work background
- Excellent interpersonal skills
- Passion for improving cultural competency skills
- Enjoy researching to learn about education and employment opportunities
- Knowledgeable about effective job search techniques (networking, filling out job applications, writing resumes, etc.)
- Strong computer skills
