

How can a Chapter become a SHRM Learning System Champion?

Chapters can either partner with an education partner to promote an instructor-led course that uses the SHRM Learning System and/or host and administer a facilitator-led SHRM Learning System study group. Chapters must complete each of the items below at least four weeks prior to the commencement of the course and/or study group:

- Post course or study group notification on the chapter's website
- Place announcement in chapter newsletter
- Place the SHRM Learning System tile ad on the chapter's home page
- Announce the course or study group at a chapter event
- Send e-mail blast to members to promote the course or study group
